

This years Christmas donation will be a little different. Places are not accepting gifts or toys this year but have decided to use gift cards instead. We are going to partner with Ministries Unlimited in Troy which has a list of Families they have received from the Triad School District. The gift card will be placed in the food baskets these families pick up to help them have a better holiday. Gift cards will be accepted in any amount in the gym from November 30th – December 18th

Thank you for participating in this year's event and helping make the holidays brighter!
